DANE COURT GRAMMAR

Year 7: Term 2 - Lesson 1

What Is Bullying?

BULLYING

Dane Court Grammar - Anti-Bullying:

Being safe at school very important, sadly some people are uncaring at times. However this can become a consistent behaviour for a few. As such, we as a school community have to tackle the problem of bullying.

Q - What is bullying?

Q - What does anti-bullying look like?

Q - Why do people bully other people?

Remember saying nothing is accepting that it is ok!

DISCUSSION

Definition

To seek to harm, intimidate, or coerce someone perceived as vulnerable on a regular basis.

What does anti-bullying mean?

Actively doing something about the problem, not just not doing it yourself.

- 1** You have noticed that someone in your mentor group is behaving differently to normal and their interactions with two students seems to be negative... what should you do?

REMEMBER YOUR MENTOR CAN ALWAYS HELP
