

Friday 31st October

Year 11 IB Curriculum Information Evening: Wednesday 12th November 2025

Dear Parents and Carers,

I am writing to invite you to our Year 11 IB Curriculum Information Evening which will take place on Wednesday 12th November from 5pm – 6pm.

The aim of the evening will be to highlight the many strengths of our International Baccalaureate programmes and to provide parents and students with an informed overview of our Sixth Form curriculum options ahead of the Open Evening on November 26th 2025.

The evening will start with an introductory talk in the Theatre, followed by breakout sessions focusing on the IB Diploma, the IB Career-Related Programme, and the IB Bespoke Course. There will also be an opportunity to hear more about our extracurricular programmes and a general overview of life in the Sixth Form.

Our IB Commitment

We remain fully committed to offering world-class IB qualifications to our students. The IB offers the very best preparation for university study. Research shows that IB students are 40% more likely to graduate with a first or upper-second class honours degree and are three times more likely to be admitted to a top twenty university. Our IB pathways also offer an excellent platform for progression into degree-level apprenticeships in a wide range of professions.

We are pleased to affirm our continued commitment to offering these broad, knowledge-rich, internationally-recognised qualifications to our students, despite changes to national funding arrangements.

Our Year 11 students are to be congratulated on an excellent start to the year. We are looking forward to supporting them with their next steps towards the Sixth Form.

Kind regards,

Andrew Coventon
Head of Sixth Form/IB Coordinator
