

Dane Court Grammer School 2026

At Harrison Catering, we take pride in the quality of the food we prepare and sell. To maintain our high standards, we review our tariff annually against our costs, which sometimes results in price increases.

We have worked diligently on all aspects of the Dane Court Food offer, transforming the catering facilities into spaces that both staff and students can be proud of. Over the years, we have seen a significant rise in meal uptake, thanks to our use of fresh, local produce, prepared with passion by our highly skilled Chef Manager and her team.

Starting from February 9th, 2025, we will be introducing an 5.9% tariff increase.

Reasons for the Increase:

- A 4.1% increase in the National Living Wage, affecting staff wages, with a pending pay rise in April 2025.
- An increase in the Employer's National Insurance to 15.0%.
- A reduction in the secondary threshold.
- Forecasted 4.5% food inflation.
- Our continued commitment to using fresh produce, including freshly cooked meat for our sandwiches and baguettes.
- We have maintained the current tariff for the past 13 months.

We hope you will continue to support the catering department as we introduce new ideas and initiatives over the coming months.
