UCAS Process

STEP 1: Complete the first draft of your personal statement and get feedback from your mentor/subject teachers (23rd September)

STEP 2: Complete the UCAS form and pay and submit for checking.

- Avoid common errors: IB qualifications, nominated access

STEP 3: Ms Jolley and Mr Coventon will check your form; add the reference (with extenuating circumstances); and send back for any corrections

STEP 4: You will receive a PDF of the completed form and email confirmation when you are happy to send

What if I want to apply for an increase in my predicted grades?

1. Speak to your **subject teachers** in order to **establish the evidence** of progress which they would require in order to consider raising your predicted grade

(e.g. improved performance on next two essays/tests//IA drafts/**November PPEs**)

2. **Submit** the evidence

3. Ask your subject teacher to **confirm** the change of grade

Practices: Effective Revision

Superficial revision – re-reading notes

- Highlighting and colour coding
- Copying out notes into mindmaps
 - Making flashcards

Revision practices which strengthen long-term memory:

1. Writing **timed exam responses**
2. **Testing yourself** using flashcards
3. **Retrieval practice**: testing yourself by writing out everything you know about a topic without looking at your notes
4. **Comparing model answers** against your own practice answers
5. Creating your **own exam questions**
